

Dear Parent,

Our school would like to offer you an opportunity of ordering educational resources from a selection of **Learningwheels®** products at discounted prices supported by our Parent Teacher Association. At the same time you will also be helping to raise money for the school.

All products have been designed by teachers to support children's learning at home as well as in the classroom. Products include: Learn to tell the time clocks; Learn to Add and Subtract Maths; Learn to Multiply and Divide Maths.

You can find out more information about each of the products and compare their normal retail prices and P&P by visiting www.learningwheels.net.

Any orders we receive will not only **save you money** (up to £3.20 on rrp and p&p costs) but also help raise money for the school because we make a £1 profit on each product you purchase.

Thank you for your consideration and support.

Orders need to
be received by: _____

Dear PTA, please order the following **Learningwheels®** for me. The correct money is enclosed as cash. I understand that no change can be given and my order will be delivered via my child's book bag.

Your Name: _____
